**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The citations on the attached list of references (modified Form PTO-1449) may be material to the patentability of the above application and are submitted in compliance with the duty of disclosure defined in 37 CFR 1.56. The Examiner is requested to make these citations of official record in this application by initialing the citations on the enclosed modified Form PTO-1449.

As indicated in the July 16, 2007 Amendment and Record of Telephonic Interview the undersigned had requested a copy of pages 32-33 and 133 which are mentioned on

page 34 of the cookbook reference (The Good Cook Cookies and Crackers, 1982) , and inquired whether pregelatinized waxy starch was disclosed on those pages of the cookbook reference. The Examiner advised the undersigned that pages 32, 33, and 133 did not disclose a pregelatinized waxy starch and that she would list these pages on form PTO-892. However, a form PTO-892 was not included with the October 2, 2007 Notice of Allowability. As requested in a December 6, 2007 voice mail to the Examiner, a Supplemental Notice of Allowability citing the additional pages of The Good Cook Cookies and Crackers is requested. The additional pages are cited on the enclosed form PTO-1449.

The additional references listed on the enclosed form PTO-1449 are U.S. patents cited in commonly assigned U.S. Design Patent no. D497,702 S and copies are not enclosed. They are not seen to be any more pertinent than references of record.

This Information Disclosure Statement Under 37 CFR 1.56 is not to be construed:

- 1) as an admission that the information cited is, or is considered to be material to patentability as defined in 37 CFR 1.56(b), 2) as a representation that a search has been made, 3) that additional information that may be material to the patentability of this application does not exist, or 4) that any one or more of these citations constitute prior art under 35 U.S.C. 102.

Any additional fees should be charged to, or any overpayment in fees should be credited to, Deposit Account No. 19-0089.

Respectfully submitted,  
Mihaelos MIHALOS et al.
